Pre-existing Conditions and Waiver

A Pre-existing Condition is defined as any injury, illness or medical condition that exhibited symptoms or was treated on, or within the 120 days prior to, the purchase date of your plan. This plan waives the exclusion for pre-existing medical conditions if the following conditions are met:

- Your policy was purchased within 14 days of the date of the first trip payment or deposit;
- You were a U.S. resident when the policy was purchased;
- You were medically able to travel when the policy was purchased; and,
- On the policy purchase date, you insured the full non-refundable cost of your trip with us. This includes trip arrangements that will become non refundable or subject to cancellation penalties between the policy purchase date and the departure date. Maximum coverage for pre-existing medical conditions is limited to the trip cancellation or trip interruption coverage limit (as applicable), not to exceed \$20,000.

The following is a brief description of the coverage available.

- **Trip Cancellation/Interruption*:** Coverage provides financial protection for expenses related to trip cancellation or interruption caused by a covered reason. Trip cancellation provides reimbursement for prepaid, non-refundable expenses, up to the amount of coverage purchased. Trip interruption coverage offers reimbursement for the unused, non-refundable portion of the trip and increased transportation costs to return home due to a covered reason. Some covered reasons include:
 - A terrorist act committed by an organized terrorist group (recognized as such by the U.S. State Department) if it results in property damage, injury or loss of life in a domestic or foreign city within 30 days of scheduled arrival in that city.
 - Illness, injury or death of traveler, a covered family member or traveling companions. This coverage also extends to employed caregivers who live with the traveler and a person with whom the traveler lived for 12 continuous months prior to the effective date of coverage.
 - Financial default of selected airline carriers that results in the complete cessation of services. Supplier default is only provided if the traveler purchases insurance within 14 days of initial trip payment or deposit, financial default occurs more than 7 days after the policy's effective date and the travel supplier is listed on our list of covered suppliers.
 - Strikes, natural disasters, bad weather, or FAA mandated shutdown resulting in the complete cessation of services by an airline, tour operator or cruise line for at least 24 consecutive hours.
 - Normal pregnancy (for Trip Cancellation only) of the traveler (or the anticipated due date of an immediate family member and the traveler plans to attend the childbirth), if the pregnancy occurs after the effective date of insurance.
 - Military duty

 - Employee termination: must be employed with your current employer for 12 continuous months.
 - Destination uninhabitable, loss of accommodations, mandatory evacuation, or home uninhabitable.
- **Travel Delay*:** Reimburses up to \$150 per day per person for additional travel and lost prepaid expenses if your trip is delayed for five or more hours for a covered reason. Can also reimburse additional transportation expenses if you miss your cruise or tour because of a covered delay.
